the train mentioned in paragraph 1 carried an element of the 15th Gds Tank Regt of the 39th Gds Mtz Rifle Div, and the train in paragraph 2, an element of the unidentified artillery division in Potsdam.

- (2) All of the shuttle trains mentioned in paragraphs 4 through 6 are reported for the first time.
- (3) The two fighter regiments stationed at Koethen air ield were transferred to Zerbst in early October 1951. The train mentioned in paragraph 7 of the present report may possibly indicate the pending arrival of a new air force unit from the UoSoSoRo to the Soviet Zone of Germany.

(4) the trains of 24 October may have carried a tank component of the 20th Cds Mccz Div from Jona and the 17th Cds Tank SP Regt of the 57th Cds Mtz Rifle Div from Weissenfels respectively; that of 26 October the 28th Cds Tank Regt of the 21st Cds Mccz Div from Walle; that of 27 October an artillery unit of the XXIX Cds Mtz Rifle Corps; and that of 28 October the 38th (?) AT Arty Brig of the XXIX Cds Mtx Rifle Corps from Merseburg. The identity of the units on the two trains

of 30 October and 1 November cannot be determined.

(5) Trains that are reported for the first time include the four westbound trains on 29 October, 1, 2, and 9 November, and the eastbound trains on 29 and 31 October. All other trains were mentioned in two previous reports

Between 3 October and 15 November, a total of 26 trains with recruits and 13 or 14 trains with dischargess crossed the Oder River line.
